Folks,

Looks like the Hyundai thefts are making a comeback in the area, this time possibly with a different vulnerability. We are investigating all of this, but in the meantime please make your communities aware that we have steering wheel locks at the precinct. If they need one, just drop on by the front desk and ask for one.

The Maryland State Fair starts this Thursday. Please be aware of the potential for traffic issues and plan accordingly. We'll be out at the fair monitoring everything and keeping it safe.

Have a great week and maybe we will see you at the Fair!
